October 22, 2018
6:00 p.m.
Mendenhall Great Rooms 1 and 2

Saul Flores walked 5,328 miles through 10 countries to document how grueling and dangerous the journey of immigrants to the United States can be and to raise money for an elementary school in Atencingo, Mexico. The story of his journey – accompanied by a series of photographs – captures the essence of the people, communities and cultures he encountered along the way.
