STAY IN THE KNOW
The Student Employment Office is pleased to announce the First Annual National Student Employment Week.

The purpose of National Student Employment Week is to recognize the important contributions made by student employees to the university. Their hard work, dedication and enthusiasm help make ECU a great place to learn, grow, and work. This week is celebrated nationally, April 8th-12th.

Supervisors will be given the opportunity to nominate exemplary student employees for the Student Employee of the Year Award. Student employee nominees are assessed on the following characteristics: reliability, quality of work, initiative, professionalism, and the uniqueness of the student’s contribution to the employer. We will also be allowing students to nominate the Supervisor of the Year. The winners will be announced at our First Annual Student Employee Recognition Ceremony. Details about the ceremony will be released soon.
