CUPOLABRICK
PROJECT

*A special invitation to
honor your graduate*

Personalize a brick

Parents and families of graduating students have a unique opportunity to honor their student's achievement. By supporting ECU's Student Affairs programs with a gift of \$250, you can recognize your student's success with a personalized commemorative brick.

An honored tradition at ECU is to walk under the cupola upon graduation. The Old Austin Cupola is a replica of the cupola that sat atop East Carolina's first administration building. The cupola represents the university's long history of commitment to quality higher education. This brick allows your student to leave their permanent mark at ECU. Each inscribed brick will be placed in the Cupola Plaza located in the heart of Main Campus.

When you honor your student or loved one with a cupola brick, you also impact current and future students at ECU. Proceeds from the personalized brick program support the Division of Student Affairs through the Parents Fund, safety and wellness programs, student leadership initiatives, and nurturing of academic excellence.

Your inscription may include any of the following items but not limited to:

- Student's name
- College, school, program, or major
- Fraternity or sorority
- Campus-sponsored organization
- Year of Graduation
