Who Are We?
The Students’ Treasure Chest (STC) is the only student-led, philanthropic, fundraising organization that supports students at East Carolina University. The STC is the official student affiliate of the ECU Foundation Inc. and is housed in the Office of the Dean of Students.

What Do We Do?
The mission of the STC is to foster a spirit of service and philanthropy within the student body, to address the emergent financial needs of students, and to encourage students to become lifelong donors to ECU.

70+ requests were received by the STC from students for financial aid in 2017-2018.

95% of these requests were fulfilled, totaling almost $80,000*.

*Through connections with financial aid, scholarships, STC and other campus resources
How Can You Help?
The STC welcomes support from donors to our emergency/opportunity award fund. This fund is utilized to provide financial awards to students in need, particularly those in emergency crisis situations or students who are given an opportunity to represent ECU on a regional, national or international level. These funds go directly to the student to immediately address unmet needs.

As visibility of our organization grows and more students, faculty and staff are aware of this resource, the requests will continue to increase.

STC Award Recipients
• are reviewed by the advisors of the committee;
• are in good academic standing;
• have connected with all available campus resources, including financial aid and scholarships; and
• meet the criteria established by the officers of STC.

Confidentiality is protected for the benefit of our applicants.

Make a donation today or enroll in Payroll Deduction if you are a university employee. Any gift can make a difference to our students and helps the philanthropic spirit at ECU to flourish. Contact the ECU Foundation and request for your donation to be directed to the Student Emergency Fund/Students’ Treasure Chest.
